The mentioned fees do not include operational expenses that may arise from the Company's need to involve third parties to execute transactions and ensure final settlement, specifically fees charged by trading platforms and/or other intermediaries from the Company (excluding commissions charged according to the tariffs set by agreements with Agents), depending on the trading platform, type of transaction, volume, and other circumstances. Such expenses are subject to non-discretionary deduction from the customer's accounts maintained at the Company. The reports presented to the customer reflect both the mentioned expenses and the deductions and withholdings made by the Company for their reimbursement.

The exchange rate of the Central Bank of Armenia on the day of the transaction will be applied for calculations expressed in foreign currency in this document.
